

Hobbyists, Car Enthusiasts, Woodworkers...Anyone who needs a "shop" - A Garage/Shop Nearly As Big As the House!

Location: Blaine, MN

If you're looking for a place to call SHOP in addition to HOME, check out this incredible option! A nearly 1900 square foot home that is freshly renovated with a detached 2 + car garage AND attached workshop! Take a look at the photos and you'll see that the foundation for the garage and shop are nearly as big as the house itself!

You'll also find quite a house here! Freshly remodeled - including a bright, clean kitchen, new ceramic tile, gleaming hardwood floors, and so much more!

The large, fenced back yard is nicely landscaped and is home to a large deck. This could be quite the home for entertaining!

This is a great rent to own opportunity or the home can be purchased outright. The property is available for sale today at \$199,900 or on a 1-3 year rent to own contract for \$219,900. Please contact John Hage at 763-464-9253 or john@mnrentalhouses.com for more details about this home!
